| Summary                | <p>On May 6th, 2015, the SUNY Board of Trustees passed a resolution stating that SUNY shall develop a plan to make approved applied learning activities available to SUNY students enrolled in the 2016/17 academic year, and that this plan will include individual campus plans. The resolution follows from language in the 2015-16 Enacted State Budget (in an “Article VII” bill). Based on this language the Applied Learning Steering Committee has broken campus plans into VII parts.</p> <p>This assignment represents Part II of VII of campus applied learning plans and focuses on your campus plan for data collection. Part II should be submitted as a <b>descriptive narrative</b> regarding your campus-level collection of data on approved applied learning activities. Develop a campus plan for the collection and reporting of data on students engaged in approved applied learning activities. Specify how you intend to collect and measure numbers of students and programs. The submission of your first round of data will be due alongside the final documents on May 1, 2017, not with this report. At that stage campuses may submit student data through SIRIS or other method (e.g. a separate survey). The data requested will be at the student unit-record level and include number of students engaged in approved applied learning activities, broken down by specific activity as well as information about number of faculty engaged in applied learning.</p> <p>Please refer all questions to <a href="mailto:AppliedLearning@suny.edu">AppliedLearning@suny.edu</a>.</p> |
| Question 1             | Share your campus plan for data collection and reporting here. Specify how your campus will collect data on number and type of approved applied learning activities.  |
| Question 2             | What is your campus plan for designating activities/sections/courses/programs as having or requiring approved applied learning activities?  |
